"Mary Schaeffer has combined her considerable knowledge of the accounts payable process with the learning and benchmark statistics from top companies to produce a world-class guide to the AP process. Without Mary Schaeffer, and IOMA, AP would still be a neglected financial process without any formal reading to explain the complexities of a process that most companies think is simply paying the bills. This book is a must-read for anyone working in, directing, or managing AP operations, both seasoned professionals and those new to the process." -Linda Sawyer Sisko, Programs Manager, Cisco Systems, Inc.

"This book does an excellent job of explaining the often complicated basics of the accounts payable functions. It provides a quick snapshot for busy executives who need to know how an accounts payable department should run. It is an excellent update for those executives who need to keep up to date on numerous issues that affect this rapidly evolving profession." -Adrienne Glasgow, Chief Financial Officer, American Red Cross in Greater New York
