~~In the sleepy British seaside town of Broadchurch, Detective Ellie Miller has just returned from vacation, only to learn that she's been passed over for a promotion at work in favor of outsider Alec Hardy. He, escaping the spectacular failure of his last case, is having trouble finding his way into this tight-knit community wary of new faces. But professional rivalry aside, both detectives are about to receive some terrible news: 11-year-old Danny Latimer has been found murdered on the beach. For Ellie it's a personal blow; Danny was her older son's best friend. She can't believe anyone in Broadchurch would ever have harmed him. But Alec considers everyone, even Danny's parents, suspect in his death. It's a living nightmare for everyone involved...even before the press arrive and start stirring up the secrets every town member keeps hidden behind closed doors. An intimate portrait of a town and the ordinary grievances that have slowly simmered for years before boiling over in an unthinkable crime, this remarkable adaptation of the hit television show Broadchurch tells the story of a shattered family, a reeling town, and the two imperfect detectives trying to bring them answers.~~

~~A novelization of the hit television show follows detectives Alec Hardy and Ellie Miller as they search for a young boy's killer among numerous suspects and a brewing media storm. TV tie-in.~~

~~This e-bundle features four official and original short stories to be read alongside the last four episodes of Broadchurch: Series Two, airing on BBC America. Containing exclusive and original material, this is a must-read for all fans of the show. The stories, written by bestselling author Erin Kelly in close collaboration with Broadchurch creator Chris Chibnall, will consist of 100% original plotlines that are tied closely to each episode. The stories will offer an unrivalled opportunity to spend more time with the characters, allowing you to delve deeper into their lives, histories and secrets.~~

~~"Utterly engaging, terrifying, and unputdownable, this novel will haunt readers and have them wanting more from Kelly." - Booklist, Starred Review Erin Kelly, the masterful author of He Said/She Said, delivers another intense, irresistible novel of psychological suspense. You can't keep the secret. You can't tell the truth. You can't escape the past... Marianne was seventeen when she fled her home in Huxstead - leaving behind her family, her boyfriend, Jesse, and the body they buried. Now, thirty years later, forced to return to in order to help care for her sick mother, she can feel the past closing around her. And Jesse, who never forgave her for leaving in the first place, is finally threatening to expose the truth. Marianne will do anything to protect the life she's built, the husband and daughter who must never know what happened all those years ago. Even if it means turning to her worst enemy for help... But Marianne may not know the whole story - and she isn't the only one with secrets they'd kill to keep.~~

~~Inspired by the first season of the BAFTA award-winning ITV series, this is the official, unmissable Broadchurch novel. Incredibly moving and containing never-before-seen material, it takes you inside the minds and motivations of the unforgettable cast of characters. It's a hot July morning in the Dorset town of Broadchurch when Beth Latimer realises that her eleven-year-old son, Danny, is missing. As Beth searches desperately for her boy, her best friend, local police officer DS Ellie Miller, arrives at work to find that the promotion she was promised has been given to disreputable Scottish outsider DI Alec Hardy. When Danny's body is found on the beach Ellie must put her feelings aside as she works with DI Hardy to solve the mystery of Danny's death. As the case becomes a murder investigation the news hits the national press, jolting sleepy Broadchurch into the national spotlight. As the town's secrets begin to unravel, members of this tight-knit community begin to consider those in their midst. Right now it's impossible to know who to trust...~~

~~"Erin Kelly is a seriously good writer, and this gripping novel is her best yet." -Sophie Hannah, author of Kind of Cruel A stand-out author of deeply atmospheric psychological thrillers, Erin Kelly is on her way to joining the bestselling ranks of Kate Atkinson and Barbara Vine. Until now, the MacBride family has led a cozy life of upper-class privilege: good looks; tuition-free education at the prestigious private school where their father, Rowan, is headmaster; an altruistic righteousness inherited from their mother, magistrate Lydia. But when the MacBrides gather for the first time since Lydia's passing at their restored barn in the secluded countryside, the family discovers a stranger in their midst: a stranger who is convinced that Lydia was a murderer--and who has been plotting a spectacular revenge that may shatter their world forever.~~

~~From an incredible new voice in psychological suspense, a novel about the secrets that remain after a final bohemian summer of excess turns deadly. This taut psychological thriller begins when Karen and her nine-year- old daughter, Alice, pick up Rex from a ten-year stint in prison for murder. Flash back to the sultry summer in 1990s London when Karen, a straight-A student on the verge of college graduation, first meets the exotic, flamboyant Biba and joins her louche life in a crumbling mansion in Highgate. She begins a relationship with Biba's enigmatic and protective older brother, Rex, and falls into a blissful rhythm of sex, alcohol, and endless summer nights. Naively, Karen assumes her newfound happiness will last forever. But Biba and Rex have a complicated family history--one of abandonment, suicide, and crippling guilt--and Karen's summer of freedom is about to end in blood. When old ghosts come back to destroy the life it has taken Karen a decade to build, she has everything to lose. She will do whatever it takes to protect her family and keep her secret. Alternating between the fragile present and the lingering past with a shocker of an ending, The Poison Tree is a brilliant suspense debut that will appeal to readers of Kate Atkinson, Donna Tartt, and Tana French.~~

~~"A tour de force - a gripping, twisting, furiously clever read that asks all the right questions, and keeps you guessing until the very end. I loved it." - Ruth Ware "Haunting. Mesmerizing. Unforgettable." - Gillian Flynn In the summer of 1999, Kit and Laura travel to a festival in Cornwall to see a total eclipse of the sun. Kit is an eclipse chaser; Laura has never seen one before. Young and in love, they are certain this will be the first of many they'll share. But in the hushed moments after the shadow passes, Laura interrupts a man and a woman. She knows that she saw something terrible. The man denies it. It is her word against his. The victim seems grateful. Months later, she turns up on their doorstep like a lonely stray. But as her gratitude takes a twisted turn, Laura begins to wonder--did she trust the wrong person? 15 years later, Kit and Laura married are living under new names and completely off the digital grid: no Facebook, only rudimentary cell phones, not in any directories. But as the truth catches up to them, they realize they can no longer keep the past in the past. From Erin Kelly, queen of the killer twist, He Said/She Said is a gripping tale of the lies we tell to save ourselves, the truths we cannot admit, and how far we will go to make others believe our side of the story.~~

~~Do not let the title Kelly Tough fool you. This is not a "be all you can be, no pain-no gain" story. Toughness is overrated. And being Kelly Tough, well, you are about to find out what that really means and why it just might matter to you. Kelly Tough is a story of love and hope: a love between a father and a daughter--Buffalo Bill's former quarterback, Jim Kelly, and his oldest daughter Erin. Erin shares a deeply personal account of the love a family can have for each other during the darkest times, and a greater love that a heavenly Father has for you. Whatever circumstance or heartbreak you find yourself overwhelmed by right now, it is not the end of the story. In fact, it just might be one of the greatest chapters as you, like the Kelly's, find strength in weakness, hope in the midst of heartache, and joy in spite of suffering.~~
