Cancer is the number-one killer of American pets. With this easy-to-use yet

comprehensive guide, veterinarian Shawn Messonnier, one of the nation's leading experts on integrative veterinary medicine, presents the latest research on both treating new diagnoses of cancer

# Download Free Cancer

and preventing cancer before it takes the lives of our beloved family dogs. In addition to conventional treatments, Dr. Messonnier presents detailed information on such complementary therapies as antioxidants, herbal preparations,

# Download Free Cancer

homeopathic  
remedies, raw food,  
nutritional  
supplements, and  
acupuncture. While  
no therapy is right for  
every dog, Dr.  
Messonnier's book  
gives pet owners the  
vital information they  
need to explore all  
their options with their  
veterinarian.
