A world-renowned authority on the history, uses, and power of dreaming, Robert Moss guides neophyte and experienced adventurers alike to open their own dreamgates. Through these gates await otherwise inaccessible realms of reality as well as soul remembering — the “recovering of knowledge that belonged to us before we came into this life experience.” Exercises, meditations, and the mesmerizing tales of fellow dream travelers outline Moss’s Active Dreaming technique, a kind of shamanic soul-flight that offers “frequent flyers” a passport between worlds. In this world beyond physical reality, Moss points to wellsprings of healing, creativity, and insight. As

by his skillful retelling of his own dreams and those of his students—and the dreams' often dramatic insights and outcomes. According to Moss, some shamans believe that nothing occurs in ordinary reality unless it has been dreamed first. In the dreamscape, we not only glimpse future events, we can also develop our ability to choose more carefully between possible futures. Conscious Dreaming's innovative system of dream-catching and transpersonal interpretation, of dream re-entry and keeping a dream journal enables the reader to tap the deepest sources of creativity and intuition and make better choices in the critical passages of life.
