--Thisbe Nissen, author of *The Good People of New York* "Written with a heart seared with pain and a pen filled with passion, Brad Land's tale is street-fight brutal and gut-wrench tragic. It is a book that every teenager should read and every parent must read, especially those of us with sons. *Goat* never lets go. It rips and shreds us with blade-sharp dialogue and a relentless pace, all the while exposing the bravest of souls and the most gentle of hearts."
