In a multi-paragraph article, the main idea is expressed in the thesis statement, which is then supported by individual smaller points. Think of the main idea as a brief but all-encompassing summary. It covers everything the paragraph talks about in a general way, but does not include the specifics.

The purpose of idea management is to take feedback and insights further into future products or product releases. Today, there are several digital idea management platforms, such as Ideanote, that allow you to gather ideas, feedback and insights in a structured and intuitive way. But it wasn't always as easy to share ideas with your coworkers and the decision-makers as it is now.
