An innovative Tarot deck that combines striking symbolic artwork with detailed guidance in using Tarot in a journey to self-discovery and enlightenment. releasing the blocks that stand in the way of happiness and personal goals. This extraordinary deck offers a new way of interacting with the Tarot. The cards evoke, through their strange and wondrous artwork, a sense of enlightened experience. The card images combine with the wise words of the guidebook to lead the user onto a journey of powerful self-discovery and deep alchemical transformation. There is more detail on the Pip (numbered) cards in this deck than in any other Tarot, offering guidance in the user’s journey to enlightenment on themes such as healing, self love, emotional self-soothing, energy and motivation. As you embark on an incredible journey of self-understanding and self-fulfillment, these uplifting cards will help you connect deeply to your soul and guide you in the direction of your dreams. Whatever your question, they will bring the light you need, encouraging intuition, self-awareness and self-healing, and helping you to release your emotional blocks. Enjoy this journey to enlightenment!

An inspiring portrait of one of the great spiritual leaders of the twentieth century, this book follows Dilgo Khyentse Rinpoche in his travels to Tibet, Bhutan, India, and Nepal, revisiting important places from his past. His birthplace in eastern Tibet, the monastery of Shechen that he entered at age eleven, the retreat grounds where he spent years in meditation and study—these are some of the stops along the way. Told in intimate detail by his personal assistant, Matthieu Ricard, this condensed biographical narrative integrates extensive passages from the writings and teachings of the master himself to impart a rare view of his journey to enlightenment. Note: This edition, excerpted from the first volume of The Collected Works of Dilgo Khyentse, is an abridged adaptation of the heavily photographed, full-color Aperture edition from 1996. It contains 36 black-and-white photographs.

A personal assistant to the late poet, scholar, and master of Tibetan Buddhism chronicles in words, photographs, and passages from Khyentse Rinpoche’s writings, his journey with his mentor through Tibet, Bhutan, India, and Nepal.

“On the Wings of Light and Love Volume Two” is another compilation of spiritual messages from Jain Master Gurudev Shree Chitrabhanuji to his students at the Lighthouse Center, Inc. in Whitmore Lake, Michigan. Included are practical approaches to growing up spiritually, compelling stories from Chitrabhanuji’s lifelong spiritual journey, and theoretical discussions of karma, Ahinsa, and Reverence for all Life. These messages are treasured by the Lighthouse students, who read and re-read them, finding new understanding and inspiration each time. We hope they will be an inspiration and guide to all seekers on a spiritual path.

AWAKENING describes one woman’s journey from seeker to fulfillment, and along the way answers WHY we are here on Earth as humans, and in that helps usunderstand ourselves and the perfection of ourtragedies, challenges and afflictions, as well asour loves and successes.

Your Journey to Enlightenment awakens an ancient knowing that you are a Master and have always been. The moment has come for a new visionary that engages in a radical approach to living, being, and knowing. This rebel visionary is fully engaged from the heart and gut and goes against the norm, not allowing systems to rule his or her expression. Your Journey to Enlightenment lays out 12 guiding principles that will help you discover how to: Live in constant, unfolding potential, without attachment to outcomes Live awake and aware, soaring as a magnetizing force in personal and global expansion Live and walk an authentic path of devotion, unlocking inherent gifts Live a process of self-activated awakening for mastery of the multidimensional experience

Dilgo Khyentse Rinpoche inspired Matthieu Ricard to create this anthology by telling him that “when we come to appreciate the depth of the view of the eight great traditions [of Tibetan Buddhism] and also see that they all lead to the same goal without contradicting each other, we think, ‘ Only ignorance can lead us to adopt a sectarian view. ’ ” Ricard has selected and translated some of the most profound and inspiring teachings from across these traditions. The selected teachings are taken from the sources of the traditions, including the Buddha himself, Nagarjuna, Guru Rinpoche, Atisha, Shantideva, and Asanga; from great masters of the past, including Thogme Zangpo, the Fifth Dalai Lama, Milarepa, Longchenpa, and Sakya Pandita; and from contemporary masters, including the Fourteenth Dalai Lama and Mingyur Rinpoche. They address such topics as the nature of the mind; the foundations of taking refuge, generating altruistic compassion, acquiring merit, and following a teacher; view, meditation, and action; and how to remove obstacles and make progress on the path.

This collection of fifteen articles and talks by Tulku Thondup constitutes a manual on how to transmute the situations encountered in daily life, whether external or internal, into spiritual disciplines and experiences. Among the topics covered are: The fundamental principles of Buddhism. The practice of meditation as a means of arousing compassion. How suffering can become a more powerful tool than happiness in achieving enlightenment. The symbolic significance of holy places, temples, statues, books, and other spiritual artifacts.

2015 Silver Medalist from Living Now Book Awards Enlightenment has long been regarded as a state reserved for a few rare individuals, a state that can only be gained by living a recluse life in a cave or in a monastery somewhere. It has been thought that enlightenment is very difficult to achieve, requiring one to give up all worldly possessions and to lead an austere life. Ann Purcell debunks these false assumptions in her new book The Transcendental Meditation Technique The Journey of Enlightenment. “Tender and Smart, Loving and Blissful and Profound” -- David Lynch By relating her own experiences and those of Transcendental Meditation practitioners throughout the world Purcell lays before us the secret to personal fulfillment, spontaneity, inner peace and balance. She deftly explains how’s and why’s so that every person around the world can experience enlightenment and unbounded bliss inside, no matter what their race, religion, or socio-economic background.

The Scottish Rite is the most philosophical of all the branches of Freemasonry. It meets the brother immediately following his awakening to the condition of his own life, with all its challenges and victories. It directs him on a new journey of self-discovery; of personal and spiritual growth. It provides him a higher understanding of how this newly discovered light and mindfulness can then be played out in the real world and become a guiding force in his life. The Rite offers a facilitated path for each Initiate to find and apply the best that is within him in all activities of his life. The journey is nothing less than the journey to the mature masculine soul.This book takes a new look at how the teachings of the Scottish Rite serve both the individual and humanity in advancing the ideals of peace, enlightenment, and freedom for all mankind. It introduces the themes and quests of the Rite, and outlines how each degree or level of instruction fulfills an important element in the attainment of three of Freemasonry’s highest principles: enlightenment, freedom and toleration.It also recognizes that the historical settings, language, pageantry, and form of instruction of the degrees were all penned during the 18th and 19th centuries. As beautiful and meaningful as these are, the presentations can create a disconnect between the ancient settings of the teachings and the contemporary life of the men who experience them.This work is an effort to bridge the gap between the ancient symbols, themes, quests, and philosophies offered by the Scottish Rite; and how these profound ideas can be communicated, understood, and applied to today’s world.
