A Friessen family celebration turns tragic when the marriage of one daughter is preceded by the heartbreaking loss of another. " This story is one that will stick with me for quite awhile. It is raw, gritty and the stuff of nightmares for those who are parents or part of a close knit family like the Friessens. " Rebmay Three days before Sara Friessen ' s wedding, her older sister, Chelsea, who is married to the son of a notorious criminal, disappears without a trace. The police have no leads, and her husband, Alaric Taft, has also gone missing. To find the couple, the Friessens must come face to face with the kind of deadly underworld they had never expected would touch their family. Andy Friessen lives and breathes only one thing: protecting his family. He soon discovers the secret behind what has happened to his eldest daughter, and he ' s plunged into a cat and mouse game, stonewalled at every turn by authorities who are supposed to be helping him. For the first time in his life, he ' s forced to admit he ' s in over his head. The Friessens are stronger together, so, in desperation, though he swore he never would, Andy ultimately calls for help from his cousins, Brad, Jed, and Neil. As the cousins dig deeper into the days before the disappearance, they discover that Alaric was hiding a very dark truth, one that put a target on Chelsea ' s back, and someone would have gone to great lengths to keep it from coming to light. The lines between good and bad have suddenly become blurred. All the Friessens want is a happy ending, but the more they search, the more the evidence points toward their worst fear—that their nightmare has become reality, and Chelsea could be lost to them forever.

Three of Lurlene McDaniel's bestselling novels in one volume. Readers will relate to the compassion and strength of the characters as they piece their lives back together after tragedy strikes. Letting Go of Lisa Nathan Malone has been home schooled his whole life. He hasn't spent much time with kids his own age, let alone dated. Now that his mother is busy with his new twin sisters, he must enroll at the local high school for his senior year. On the first day of school a girl catches his eye. Lisa is a loner and doesn't care what anybody thinks of her. Nathan is intrigued. When he and Lisa finally start spending time together, he is the happiest he's ever been. But Lisa has a tragic secret and when she decides to deal with it herself, Nathan has to make a choice. Can he ever let go of Lisa? Saving Jessica Jessica McMillan and Jeremy Travino are a perfect couple. When they met in high school, Jessica's upbeat spirit helped Jeremy to see that there must be a reason he was spared in the car accident that killed his brother. But now Jessica has been diagnosed with kidney failure. Her only hope is a kidney transplant but no one in her family is a match. Jeremy can't watch another person he loves die. He believes that his life was spared so he could save Jessica by donating a kidney. But his parents are terrified of losing their only child. Will Jeremy go against his parents' wishes to do what he must to save Jessica? Telling Christina Goodbye Trisha Thompson and her best friend, Christina, are having a great senior year. Trisha and her boyfriend are making plans to attend Indiana University, and Christina received a scholarship to the University of Vermont. Everything would be perfect if only Trisha got along with Christina's controlling boyfriend, Tucker, who is trying to convince Christina not to go away for college. Their lives are forever changed when one night Tucker drives them all home from a basketball game. He hits black ice and the car overturns. Tucker walks away with barely a scratch, but Trisha is injured. Cody is in a coma, and Christina is dead. Those that are left must learn to heal, in order for their lives to move on.

One of the great pioneers of Zen in America, Dainin Katagiri had a teaching style that was at once powerful, gentle, and sometimes even casual. For his student, Doho Mike Port, some of Katagiri's most profound teachings came in the simple moments of everyday interactions. Keep Me in Your Heart a While is built around a series of these vivid, truth-revealing incidents that evoke the feel of ancient Zen koans. Each chapter starts with an encounter with Katagiri and unfolds from there, touching on subjects such as the nature and the purpose of Zen, the dynamic and working of realization, and the evolving relationship between teacher and student. In sharing what it was like to train with one of the first generation of American Zen teachers, Doho Mike Port preserves and revitalizes this incredible path, making it available to the next generation of seekers.

As the author, I wish that everyone who reads this book has the overstanding and answers that they can really enjoy happiness and fulfillment. Overstanding and Understanding are feelings and questions and poems that everyone has had one time or another. This book will reflect how we love, live, and look at life. This book is also the author's journey in finding love and getting family to reconnect. As the author, I hope this book brings you to stop, look, live, and love life. Accept it, live it, love. The future is bright.

This memoirs are inspired by true events and experiences. For some this is a proof that AustyneThomas has a heart allerafl, for others this is affi rmation to the overtly sensitivity of his character. But quite frankly, this book is anything you say it is....as long as the copy is yours truly.

(Book) Warren Zevon songs are like chapters in a great American novel. Its story lies in the heart of his and our psyche. The lines are blurred. We never seem to know if we are looking in a mirror or peering through a window; we only know that when we listen we see something . The music sets the scene his voice a striking baritone, its narrator our guide through a labyrinth of harrowing narratives. The plot unfolds without subtlety; each musical and lyrical arc awakens imagination. In Accidentally Like a Martyr: The Tortured Art of Warren Zevon , music journalist James Campion presents 13 essays on seminal Zevon songs and albums that provide context to the themes, inspirations, and influence of one of America's most literate songwriters. In-depth interviews with Zevon's friends and colleagues provide first-person accounts of how the music was lived, composed, recorded, and performed. Longtime fans of this most uniquely tortured artist, as well as those who want to discover his work for the first time, will get inside the mind, talent, and legacy of the wildly passionate Excitable Boy.

Mirror, mirror on the wall, who is the loveliest of them all? What do you see when you look in the mirror? Do you like what you see? What does the mirror reflect? In the midst of life's pressures, disappointments, joys, and pleasures, do you reflect brightness, radiance, and brilliance, or do you reflect dullness, gloominess, and foolishness? Inside of you are hidden treasures waiting to be discovered. Will you allow yourself to be molded, shaped, and transformed into a beautiful pearl? Will you take this journey with me to discover who you are, your hidden treasures within, and the hidden desires of your bridegroom, Jesus, for you? Learn to capture the heart of your bridegroom, Jesus, and how to surrender your heart to Him, as He knows and understands you like no other. Let Him unveil the beautiful pearl within! Elsa Aguries is a single mother who has toiled through life's challenges to manage a home, obtained her degree in business while working fulltime, and raised two sons into men who have a heart for God. She has counted the cost in cultivating a love relationship with her bridegroom, Jesus. She has a heart to see single women find their worth and destiny in Jesus Christ. Her desire is to convey that a single woman's home can be in order in the hands of Jesus Christ and that all things are possible to those who believe.
