BooksOld – Tayari Jones

Award-winning novelist Tayari Jones delivers a story based on the 1979-1980 Atlanta child murders. Told from the perspective of three fifth-grade classmates, Leaving Atlanta is a vividly disturbing, but hopeful novel. Tasha, Rodney, and Octavia each share the same wish: to be accepted.

Leaving Atlanta by Tayari Jones | Audiobook | Audible.com

Tayari Jones's debut novel, LEAVING ATLANTA --- a compelling look at the fear and suspicion that swept through this already racially and politically charged Southern city in the late 1970s and early '80s.

FROM THE AUTHOR OF AN AMERICAN MARRIAGE, AN OPRAH’S BOOK CLUB 2018 SELECTION It's the end of summer in Atlanta, and fifth-grade classmates Tasha Baxter, Rodney Green, and Octavia Harrison will discover that back-to-school means facing everyday challenges in a new world of safety lessons, terrified parents, and constant fear. Because it was the summer during which Atlanta's African-American children were vanishing. The moving story of their struggle to grow up and survive shimmers with the piercing, ineffable quality of childhood, as it captures all the hurts and little wins, the all-too-sudden changes, and the merciless, outside forces that can sweep the young into adulthood and forever shape their lives. **PRAISE FOR TAYARI JONES** "Tayari Jones is blessed with vision to see through to the surprising and devastating truths at the heart of ordinary lives, strength to wrest those truths free, and a gift of language to lay it all out, compelling and clear."-Michael Chabon "Tayari Jones has emerged as one of the most important voices of her generation."-Essence "One of America's finest writers."-Nylon.com "Tayari Jones is a wonderful storyteller." -Ploughshares

An award-winning author makes her fiction debut with this coming-of-age story of three young black children set against the backdrop of the Atlanta child murders of 1979.

"Succeeds mightily...truly a wonderful story. Jones is a talent to be reckoned with." -- Boston Globe
Aria is no stranger to tragedy -- as a young girl, she and her older sister and mother survived a car crash that took the lives of their father and beloved baby sister. And although relations with her remaining family are strained, she's done her best to establish a solid, normal life for herself, living in Atlanta and teaching literacy to girls who have fallen on hard times. But now she has a secret that she's not yet ready to share with Dwayne, her devoted boyfriend, or Rochelle, her roommate and best friend: Aria is pregnant. Or so she thinks. The truth is about to make her question her every assumption and reevaluate the life she has worked so hard to build for herself...as it sends her reeling in a direction she had no idea she was destined to go. Praise for Tayari Jones "Tayari Jones is blessed with vision to see through to the surprising and devastating truths at the heart of ordinary lives, strength to wrest those truths free, and a gift of language to lay it all out, compelling and clear." -- Michael Chabon "Tayari Jones has emerged as one of the most important voices of her generation." -- Essence "One of America's finest writers." -- Nylon.com "Tayari Jones is a wonderful storyteller." -- Ploughshares

Newlyweds Celestial and Roy are the embodiment of both the American Dream and the New South. He is a young executive, and she is an artist on the brink of an exciting career. But as they settle into the routine of their life together, they are ripped apart by circumstances neither could have imagined. Roy is arrested and sentenced to twelve years for a crime Celestial knows he didn't commit. Though fiercely independent, Celestial finds herself bereft and unmoored, taking comfort in Andre, her childhood friend, and best man at their wedding. As Roy’s time in prison passes, she is unable to hold on to the love that has been her center. After five years, Roy’s conviction is suddenly overturned, and he returns to Atlanta ready to resume their life together. This stirring love story is a profoundly insightful look into the hearts and minds of three people who are at once bound and separated by forces beyond their control. An American Marriage is a masterpiece of storytelling, an intimate look deep into the souls of people who must reckon with the past while moving forward—with hope and pain—into the future.

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

WITH A NEW INTRODUCTION FROM NEW YORK TIMES BEST-SELLING AUTHOR TAYARI JONES
“How can a novel’s social criticism be so unflinching and clear, yet its plot moves like a house on fire? I am tempted to describe Petry as a magician for the many ways that The Street amazes, but this description cheapens her talent . . .

Petry is a gifted artist.” – Tayari Jones, from the Introduction The Street follows the spirited Lutie Johnson, a newly single mother whose efforts to claim a share of the American Dream for herself and her young son meet frustration at every turn in 1940s Harlem. Opening a fresh perspective on the realities and challenges of black, female, working-class life, The Street became the first novel by an African American woman to sell more than a million copies.
