From Jail to Jail is the political autobiography of a central though enigmatic figure of the Indonesian Revolution. Variously labeled a communist, Trotskyite, and nationalist, Tan Malaka managed, during the several decades of his political activity, to run afoul of nearly every political group and faction involved in the Indonesian struggle for independence. Malaka was elected Chairman of the Indonesian Communist Party (PKI) in 1921 and barely five years later opposed the PKI-led uprising in Indonesia. He openly opposed Sukarno's support for negotiations with the Dutch, yet Sukarno issued a decree in 1963 recognizing Tan Malaka as a hero of national independence. During his several decades of political activity he spent periods of exile and hiding in nearly every country in Southeast Asia. From Jail to Jail is one of the few known autobiographies by an Asian Marxist of the 1930's and 1940's.

HE was the first important figure who conceived of and wrote about the Republic of Indonesia. Muhammad Yamin called him, "Father of the Republic of Indonesia." Following the declaration of independence he mobilized the youth for a mass rally at the Ikada Square on September 19, 1945. Tan Malaka could be called Indonesia's most mysterious independence figure. He lived on the run in 11 countries

Political thoughts of Tan Malaka, a communist leader during Dutch colonial in Indonesia.

Philosophy of dialectical materialism and logic.

From Jail to Jail is the political autobiography of Sutan Ibrahim gelar Tan Malaka, an enigmatic and colorful political thinker of twentieth-century Asia, who was one of the most influential figures of the Indonesian Revolution. Variously labeled a communist, Trotskyite, and nationalist, Tan Malaka managed to run afoul of nearly every political group and faction involved in the Indonesian struggle for independence. During his decades of political activity, he spent periods of exile and hiding in nearly every country in Southeast Asia. As a Marxist who was expelled from and became a bitter enemy of his country's Communist Party and as a nationalist who was imprisoned and murdered by his own government's forces as a danger to its anticolonial struggle, Tan Malaka was and continues to be soaked in contradiction and controversy. Translated by Helen Jarvis and with a new introduction from Harry A. Poeze, this edition of From Jail to Jail contextualizes the life and political accomplishments of Tan Malaka in one of the few known autobiographies by a Marxist of this political era and region.

A ground-breaking analysis of how the Malayan Communist Party helped forge a Malayan national identity, while promoting Chinese nationalism.
