disputes. Plus, unlike many consumer law books, this one includes substantial coverage of both warranty law under Article 2 of the Uniform Commercial Code and the law of products liability, which are both critically important to consumers.

Covering product warranties, this work offers comprehensive examinations of fundamental concepts and furnishes detailed, immediately applicable results. It sets out to bridge the gap between theory and practice, and integrates the research of various disciplines that study warranty, illustrating all basic consumer warranty options.

Twomey, Jennings and Greene 's BUSINESS LAW: PRINCIPLES FOR TODAY'S COMMERCIAL ENVIRONMENT, 5E uses excerpted cases in the language of the court to provide both comprehensive and clear coverage. Updates throughout this edition address the latest developments and all of today ' s most important business law topics without overwhelming readers with unnecessary detail. Based on the authors ' extensive teaching and legal experience, this trusted book offers a wealth of integrated examples and applications that feature current events and familiar situations to help readers thoroughly grasp legal concepts. Engaging feature boxes, numerous brief examples and applications marked For Example reinforce concepts as readers progress through each chapter's narrative. This edition ' s clear, thorough
