Milwaukee Model-H Horizontal Mill

Is there a model "H" vertical mill or is there a range of mills like 2H, 3H, etc? Looking for info from the experts here as to what the possibilities might be? Auction list shows what looks like a wide range of smaller tools from good older pieces to late model imported cheap stuff. Not sure if this was a side line that a small repair shop took on or if it is an older machine shop that has ...

[milwaukee milling | eBay](#)

I think it is a Kearney & Trecker Mill model H and Milwaukee is the state it was made in. Seller said it can be both vertical and horizontal. Any idea on value of this thing? Weight I think might be in the 3000+ range. Pics below . 08-06-2017, 06:25 PM #2. WILLEO6709.
