Post Democracy A Sociological Introduction Colin Crouch

The post democracy is the opposite to the open society by Karl Popper. He understands a weak state, big companies and the industry lobby as the post democracy world. He understands under democracy a welfare state of the working class. The democracy is older as the concept and I think the real democracy is more open to different forms as he thinks.

What Are Society and Culture? Sociology is the study of groups and group interactions, societies and social interactions, from small and personal groups to very large groups. A group of people who live in a defined geographic area, who interact with one another, and who share a common culture is what sociologists call a society. Sociologists study all aspects and levels of society.
