By the time teens are in high school, they have already spent years wrestling with a heavy backpack. It's high time to solve this problem--and Pearson can help. Explore Pearson@home social studies products for home use.

Developed to meet the needs of modern United States history courses. This text includes a review unit bridging early American history content before studying modern times. Authors Emma J. Lapsansky-Werner, Peter B. Levy, Randy Roberts, and Pulitzer Prize winner Alan Taylor inspire today's students by presenting our nation's history as a continuing drama. Their focus on enduring American issues help students understand why history matters. As part of their desire to reach out to every teacher in high school U.S. history classrooms, the authors have contributed their own personal insights about the content and teaching of each chapter. --Website.
