Finn & Jake's Awesome Activities on the Go is a compact 64-page paper-over-board activity book that is full of puzzles, mazes, doodles, and other fun things to take along on any adventure.

When a dying Green Lantern crash-lands on Earth, it is up to fighter pilot Hal Jordan to take on the responsibility of being one of the super-powered defenders of the galaxy.

Presents a groundbreaking investigation into the origins of morality at the core of religion and politics, offering scholarly insight into the motivations behind cultural clashes that are polarizing America.

Most of us view the Bible through the lens of whatever religion we were raised in. Many do not question what they believe or why they believe it. Some have a strong bias on what they believe and read that bias into the text of scripture, which can take away from the true meaning of the texts. After reading a critique of understanding the Bible from a Hebraic perspective called " Twist-a-Matic Theology " and seeing some of the bias of the author and blatant errors, this rebuttal came into fruition. Maybe it is time for a fresh perspective or a challenge to our beliefs. This book will challenge your understanding of scripture and hopefully shed some light on long-forgotten truths as we unravel the scriptures from a Hebraic perspective.

"Counter-insurgency uncensored."--Cover.

An unearthly adversary descends on an idyllic fantasy world, corrupting magic against good and slaughtering innocents, and only a single man can stop him.

The diversity of prophetic voices in the Bible provides a message that is rich and variegated. But the variety of the testimony can be lost by limiting one's interpretations or application of the prophetic word. Interpreting the Prophetic Word helps readers understand the harmony of the voices that reveal God's purposes in redemptive history. Dr. Willem VanGemeren explains clearly and fully the background of the prophetic tradition. He then interprets the message of the major and minor prophets, using historical context and literary form and structure as tools in his analysis. He concludes with an explanation of the relevance of the prophetic word today. Dr. VanGemeren's extensive research and scholarship is presented in a readable way to unlock the door of prophecy for readers. He helps them to interpret prophecy and invites them to listen to the prophets and to lives the prophetic word.
