Far in the future, 60,000 light-years from Earth, a loose confederacy of Terran exiles is locked in battle with the enigmatic Protoss and the ruthless Zerg Swarm. Each species struggles to ensure its own survival among the stars in a war that will herald the beginning of mankind's greatest chapter -- or foretell its violent, bloody end. It didn't take him long to decide.... Behind the attacks of the Zerg and the Protoss lies the story of a lifetime, but every piece of information blurs the mystery further. Thrown into the middle of a war where the outcome will determine mankind's very survival, the only thing that Danny Liberty knows for sure is that the only person he can trust to keep him alive is himself. *Liberty's Crusade* The first in an epic new series of space warfare novels set in the world of the bestselling computer game!

An action-packed novel that ushers in a new age of adventure in the critically acclaimed StarCraft series from Blizzard Entertainment. The #1 New York Times bestselling author of Thrawn pens the latest chapter in the stunning StarCraft saga, building on the game's rich legacy to create an unforgettable new story. After nearly a decade of brutal warfare, three mighty factions—the enigmatic protoss, the savage zerg, and the terrans, humanity's descendants in the sector—have entered a cease-fire, but the peace is tenuous at best. When the sudden restoration of an incinerated planet is brought to light, tensions erupt. Neutrality swings back to hostility, and old enemies are accused of developing biological weapons to reignite the bitter conflict. An expedition of terran and protoss soldiers and researchers is deployed to investigate the mysterious zerg planet and its inhabitants' intentions. But the lush alien landscape is host to other denizens, creatures shrouded in shadow, and should they be unleashed, they will change the fate of the entire galaxy.
