The Infernals continues the story of Samuel, who is now 13, and going through the usual early teen angst of worshipping from afar the most popular girl in school. The only difference is that Samuel has a bit of an undeserved reputation as a troublemaker, when in reality he and Boswell managed to save the world from an invasion from Hell.

When Samuel and his faithful dachshund, Boswell, are pulled through a portal into the dark realm, home of the Infernals, it gets its chance. Catching Samuel won't be easy, for the Infernals have not reckoned on the bravery and cleverness of a boy and his dog; a hapless demon's loyalty to the duo; or the presence of two clueless policemen and an unlucky, if cheerfully optimistic, ice-cream man.

Samuel Johnson - with a little help from his dachshund Boswell and a very unlucky demon named Nurd - has sent the demons back to Hell. But the diabolical Mrs Abernathy is not one to take defeat lying down. When she reopens the portal and sucks Samuel and Boswell down into the underworld, she brings an ice-cream van full of dwarfs as well. And two policemen. Can this eccentric gang defeat the forces of Evil? And is there life after Hell for Nurd?

recently found themselves in the underworld. If you thought demons were frightening, just wait until you meet Mr. Merryweather's Elves. . . . *My Shelf Confessions

In this delightfully imaginative novel, once again, hell threatens to break loose as Samuel Johnson and his ragtag group of friends must defend their town from shadowy forces more threatening than ever before... In this clever and quirky follow-up to *The Gates* and *The Infernals*, Samuel Johnson's life seems to have finally settled down—after all, he's still got the company of his faithful dachshund, Boswell, and his bumbling demon friend, Nurd; he has foiled the dreaded forces of darkness not once, but twice; and he's dating the lovely Lucy Highmore, to boot. But things in the little English town of Biddlecombe rarely run smoothly for long. Shadows are

gathering in the skies, a black heart of pure evil is bubbling with revenge, and it rather looks as if the Multiverse is about to come to an end, starting with Biddlecombe. When a new toy shop's opening goes terrifyingly awry, Samuel must gather a ragtag band of dwarfs, policemen, and very polite monsters to face down the greatest threat the Multiverse has ever known, not to mention assorted vampires, a girl with an unnatural fondness for spiders, and highly flammable unfriendly elves. The latest installment of John Connolly's wholly original and creepily imaginative Samuel Johnson Tales, *The Creeps* is humorous horror for anyone who enjoys fiction at its best.

Taking refuge in fairy tales after the loss of his mother, twelve-year-old David finds himself violently propelled into an imaginary land in which the boundaries of fantasy and reality are disturbingly

When Samuel Johnson and his dachshund Boswell go trick-or-treating early, they unwittingly unlock a gap in the universe that opens the gates of Hell, and Samuel must now fight to reseal it.

stop her, except nobody will believe him, and time is running out. The Infernals (prev. Hell's Bells): Samuel and Boswell are pulled through a portal into Hell. But Mrs Abernathy has reckoned without their bravery and cleverness, or the loyalty of Samuel's friend, the demon Nurd, and Mr Merryweather's Elves. The Creeps: Samuel and Boswell are to be guests of honour at the opening of the greatest toyshop. A splendid time will be had by all, as long as they can ignore the sinister statue that keeps moving around the town, the Shadows that are slowly blocking out the stars, murderous elves, and the fact that, somewhere, a rotten black heart is beating a rhythm of revenge.
