About the Book: The book is an amalgamation of five different shades of love. Love, which is sometimes expressive, sometimes non expressive, sometimes can't be expressed and sometimes not required to express, but yet it is the most powerful sentiment which drives one to lead an extraordinary life. Though Love has millions and millions of shades but in this book I was able to capture only five shades in the form of stories. Let's see how many of them you will be able to relate and enjoy. town of Oakalla, Wisconsin (“Lake Woebegone made sinister”) where passions run high, secrets go deep, and nothing is ever quite what it seems. Ryland never should have been in his office that beautiful Saturday morning in May when Will Jennings approached him with “something black and shriveled clutched in his right hand, and the weight of the world on his shoulders.” The “something” that Will carries is Mike Manning’s wallet that Will found in the Forty Acre Woods earlier that morning. Mike Manning has been missing from Oakalla for seven and a half years and is presumed dead by all who knew him best,

including Will Jennings, his hired hand; Darrell Williamson, his best friend and drinking buddy, and Samantha Manning, his wife and Ryland's would've, could've, should've been lover. As Ryland's search takes him from the Forty Acre Woods to the old Manning place, where Mike Manning was last seen, he discovers what appears to be Mike's Silverado pickup hidden in the barn along with an ammonia wagon, missing from Central Co-op. There Ryland also discovers a barn cat with an attitude, a milk house with its windows blacked out, and just as night starts to fall, a body upside down in a water

tank. But before Ryland can begin to put the pieces of the puzzle together, he is attacked and nearly killed by an antagonist who is as ruthless and relentless as he is cunning. Neither does his tormentor stop there, but pursues Ryland and his household even as Ryland slowly but surely closes in on him. Or her. Samantha Manning has a past, as Ruth Krammes, Ryland's housekeeper and trusted confidant, says to him, although she is reluctant to reveal just what that past is. So does Mike Manning have a past, one littered with bad debts, broken promises, deceit, and innuendo. As Ryland sorts through

it on his way to the truth, he finds himself at odds with Ruth, his friends and fellow citizens, and worst of all, himself. Shaken by the events swirling around him, his near death, and the death of his hero, he steps outside of himself into an unfamiliar world of loose talk and hasty actions that are as dangerous in their own way as the killer who stalks him.

Martin's latest output is *Count the Petals of the Moon Daisy* - a story of roots and ghosts, music and nature, that spans the Atlantic and the years. Skilled violinist Jessica Healey is in the depths of despair in her London flat, thinking of ending it all, when the phone rings and changes her life for the better. Through a 19th Century orphan's journal she finds herself carried to a lost world of water-gypsies and abundant wildlife. The secret of her very being is exposed as the lives of the two females, separated by more than a century, grow closer and closer
